

Discontinuation Announcement

Medrad® Spectris Solaris® EP MR Mobile Injection System with Mobile Clamp Kit (MR Mobile Configuration)

May 1, 2019

Dear Valued Bayer Customer,

This letter is to inform you that as of May 1, 2019, Bayer will no longer offer the Medrad® Spectris Solaris® EP MR Injection System with Mobile Clamp Kit for sale in the United States. Bayer will continue to take orders for these systems up to October 25, 2019 with shipping to occur no later than November 1, 2019.

As part of our continued focus on providing the highest quality disposable products, Bayer will continue to offer disposables for the Spectris Solaris® EP MR Injection System.

Discontinued Mobile System	Catalog Number
<i>Spectris Solaris® EP</i>	<i>SSMR EP ICBC</i>
<i>Mobile Transfer Clamp</i>	<i>SSMR 300 MK</i>

In order to continue to serve our customers, Bayer is pleased to now recommend the Medrad® MRXperion™ MR Injection System with the new Mobile Clamp Kit. In addition we continue to support this new MR solution with VirtualCare® Remote Support and flexible support service programs.

Please contact your local Bayer representative or visit www.radiologysolutions.bayer.com if you have questions regarding the discontinuation of this product.

Sincerely,

Rich Dewit
Head, US Sales & Marketing - Radiology
