

ACT NOW to Protect Your Investment and Save.

- › Save up to 18% on service agreement programs with your new equipment purchase.
- › Get protection from price increases.
- › Pay annually or up-front with your device purchase.*
- › Our comprehensive annual service is designed to meet FDA Quality System requirements to support the efficient, high-performance operation of your equipment. Bayer certified service engineers have the training and expertise to ensure:
 - › Accurate equipment calibration to manufacturer's specifications
 - › Proprietary software is updated to the latest revision
 - › Predictive parts replacement during annual PM to ensure uptime
 - › Equipment maintained at a high-functioning level to support CMS accreditation standards
- › **New in CT - ask about hardware non-obsolescence with the TechCARE solution!**

Eligibility

- › TechCARE, DirectCARE™ and PartnerCARE™ service agreement programs only.
- › Savings valid within 90 days of new equipment purchase.

*First year due at time of purchase.

Equipment Service

Think Ahead. Plan Ahead. Stay Ahead. With Bayer's Equipment Service.

Bayer's Equipment Service is built on optimizing product uptime, maximizing value, and keeping Bayer devices performing at peak efficiency.

Around the world, hospitals and health care organizations rely on Bayer for the comprehensive programs and service essentials that drive productivity, reliability and cost-effective performance. And that's peace of mind that lets you think ahead and focus on your patients.

**Imaging solutions, powered by people.
The logical choice for today and tomorrow.**

Enhancement comes from innovation in hardware and software. But diagnosis is not only about the pixels — **it's about the people.**

In radiology, Bayer believes that **people power imaging.** So we bring together **leading technology, integrated solutions,** and a **team** that helps your people **make a difference for patients.**

That's Radiological
