Equipment Service

Think Ahead. Plan Ahead. Stay Ahead. With Bayer's Equipment Service.

Bayer's Equipment Service is built on optimizing product uptime, maximizing value, and keeping Bayer devices performing at peak efficiency.

Around the world, hospitals and health care organizations rely on Bayer for the comprehensive programs and service essentials that drive productivity, reliability and cost-effective performance. And that's peace of mind that lets you think ahead and focus on your patients.

**Imaging solutions, powered by people.
The logical choice for today and tomorrow.**

Enhancement comes from innovation in hardware and software. But diagnosis is not only about the pixels — **it's about the people.**

In radiology, Bayer believes that **people power imaging.** So we bring together **leading technology, integrated solutions,** and a **team** that helps your people **make a difference for patients.**

That's Radiological
